Sickles Inc. Programmer Control from OTS as excess to Agency
needs. The estimated acquisition cost for the IBM Card Punch was
[REDACTED] Programmer Control was estimated at

1983 Terminal Report

A special report on 1983 terminal funding was prepared for
the Administration Group in the Office of the Comptroller. The
89 terminals in the 1983 program were broken out by cost and by
type for each Directorate. [REDACTED]

Project Activity Report (PAR)

The contractor data for the March 1981 PAR has been
processed and transmitted to Production Division for inclusion in
the March processing.

The changes have been made to reflect the absorption of PPG
by OCO. Because OCO had not used ODP computer resources in the
past, PPG's active office code was reassigned to OCO's use.
